Pirot

SUBJECT: Opinion on the impact of the project on the reconstruction and extension of the building in the educational and tourist camp TEMSKO 1 and the implementation of the ground floor arrangement at the location in the village of Temska

In connection with the Decision approving the investor, the City of Pirot, the performance of works on the reconstruction and extension of the building in the educational-tourist camp TEMSKO 1 and the performance of works on the ground floor arrangement at the location in the village of Temska, on floor plot no. 8507/1 and 8507/2 KO Temska, no. 03-U-351/192-2024 dated 04/26/2024. year, issued by Department for urban planning, residential communal affairs, construction and inspection affairs, and on the basis of the Law on Environmental Impact Assessment (Official Gazette of the RS, no. 135/04,36/09) and the Regulation on establishing List 1 of projects for which an impact assessment is mandatory and List 2 of projects for which an impact assessment can be requested to the environment (Official Gazette of the RS, no 114/08), the authority responsible for environmental protection affairs of the City Administration of Pirot gives the following opinion:

that the project of performing works on the reconstruction and extension of the building in the educational-tourist camp "Temska 1" and the performance of works on the ground floor decoration at the location in the village of Temska, does not have a significant impact on the quality of the environment.
